A Real Hot One

There was no shortage of Heat this past work party weekend. The breeze made it a bit more tolerable, but it was hot. As usual, we had a good turn out and had a wide range of tasks— Picnic Tables, Painting, Lawn Mowing, Carpentry work, Fabrication work in the metal shop, Awning Installation, Sign hanging, and even Operation Thirst.

Some of our volunteers even won the volunteer raffle and awards. I won a \$25 gift certificate, Paul Palmer from our friends at Joliet also won a \$25 gift certificate and Cissy Rawlings won a \$25 gift certificate Craig Marscin won the coveted Chapter 101 Broken Hammer Award. Craig was part of the picnic table crew, you can guess why he won the award (a picnic table vs. fork lift incident) If I missed anyone I am sure you will let me know. We worked hard, enjoyed the museum and, of course, our traditional visit to Leon's. I think it is safe to say that a good time was had by all.

This months Meeting....

We will have a short meeting and get right down to the silk screening of shirts and jackets and what ever we can get done. We will be silk screening the Chapter 101 logo in 101 BLUE. We ask that you bring your garments, hangers and some rags and newspaper. The chapter will supply the other necessary supplies. We could use some help in setting up. Anyone that can, please get there early to help. (Another volunteer opportunity)

Safety....

On the way back from the work party, we encountered a vehicle fire on the side of the road. You could actually see either fuel or oil pouring from the engine area out onto the road and burning. We always talk about proper practices and procedures for your airplane. Your vehicles should be looked at in the same fashion. Make sure your car, truck or motorcycle is in good shape before you get in to go for a ride or trip. This incident displaced not only the driver, but his family also.

Coupe Chronicles

Another month with very little accomplishments. It is

amazing how a job can get in the way of one's hobby. It is safe to say, however, I am ready to begin assembly of the engine. Even though I wanted to complete the engine before starting on the airframe, I started on some of the inspection of the center section. So far so good, no corrosion. →

Story of the Month

Heard on a pre-flight announcement from an American Airlines pilot:

"On our flight today, we will be flying at 34,000 feet. To give you an idea of how high that is, we would be able to fly over 50 Empire State buildings stacked one on top the other.

"Our speed will be about 500 miles per hour. That is just over the muzzle velocity of the standard military .45 pistol."

"We will be pushed along by two Pratt and Whitney JT-8D-200 turbofan engines. While thrust to horsepower varies with altitude, the total 40,000 pounds of thrust is greater than the combined power of 10 D-9 diesel locomotives."

"In other words, we're faster than a speeding bullet, more powerful than a locomotive, and able to leap tall buildings in a single bound, and as always, your Dallas based crew stands for truth, justice, and the AMERICAN way!"

Next Meeting

Tuesday, July 17, 2007
7:30 P.M.

Schaumburg Regional Airport

Schaumburg Regional Airport is located approximately one mile west of Roselle/Bloomington Road on Irving Park Road at Wright Boulevard.

Chapter meetings are always held on the third Tuesday of the month in the terminal building (in the 'Meeting Room') at Schaumburg Regional Airport. Everyone is welcome. Bring a guest.

Tonight is silk screening night. Bring your items (shirts, jackets, etc) to the meeting and we'll silk screen the chapter logo on them for you. Even if you don't have items to be screened, there is a lot you can do to help and it's fun to watch the process. The usual delicious treats and coffee will be served.

June Meeting Notes

Our June meeting was Family Night so no business meeting was held.

Chapter 101 Oshkosh Work Party July 7 & 8, 2007

Other than having to endure the very hot weather, we had a great weekend for our work party. A near-record thirty 101ers attended and all seemed to be having a great time.

John Whanger, Jennifer Neunteufel, Ryan Whanger, Paul Palmer, Sam Whanger and Luci Whanger all earned their Red Suspenders at this work party. (Jim White earned his at the May work party). The suspenders will be presented at the August meeting.

NORTH CENTRAL FLY-IN

September 15 & 16, 2007
White side County Airport

This is the 20th anniversary of the North Central Fly-in, so mark your calendars and plan to attend. It's a fun weekend with lots to do—The Jet car will be returning, “Ask the Experts”, Lunch on Saturday, Breakfast Sunday morning, Poker Run on the airport, Youth activities, ‘Win a GPS’ raffle and much, much more.

CHAPTER CHICKS

Our next Chicks meeting will be on August 9th.

There will be plenty for everyone to do. We'll also be talking about the possibility of doing some charitable projects such as premie gowns and blankets for premature babies, lap blankets for invalid veterans or cancer patients, etc.

Ads are published free to chapter members. They will run for three months unless otherwise specified.

July Young Eagle Report

By Chuck Soumar

Chapter 101's fourth Young Eagles Rally of the year on Sunday July 1st, brought clear skies, light winds and a lot of eager kids looking forward to their first time flying. Being a holiday weekend, we weren't sure how our turn out would be, but when parents and kids started showing up at the airport at 10:30 AM we had the feeling that we would be flying for a while. Little did we know that our last flight would be after 3:30 in the afternoon? Each flight was a very personal one, since the pilots who attended, Mike Eannarino, Butch Bejna and myself, could only fly one Eagle at a time..

Our ground crew of John Nowicki, Mario Ponton, Tom Thompson, Kathy Thompson and Suzie Nowicki all did a terrific job of escorting all the kids safely out to their flights. Cindy Thompson, Betty Iwanski did a spectacular job of getting all the forms filled out properly and keeping track of each pilot's record. With the new forms sent to us by Oshkosh, that job is getting more and more intense. Thank you again for the great lunch supplied by Dolores Neunteufel.

We all look forward to our next rally on Sunday August 5th. It seems like each rally gets a little bigger and better. I hope to see you all out at the airport again and I invite anyone else who would like to join us to come out. Can't beat fun at the old airport.

For those of you going to Oshkosh for AirVenture, I wish you all a great time and good weather.

Fly Safe
Chuck Soumar
